

Adaptive Golf 2011

Golf Clinics

We offer Golf Clinics to introduce you to the game of golf, allow you to work with a golf professional to gain tips for driving and putting, and to give you a great opportunity to try out various equipment adaptations (including the adaptive golf cart) that may help you with your game!

(Reservation required through advance registration.)

Eagle Vale will have an adapted golf cart on site throughout most of the summer and fall! Call 377-5200 to inquire about using it outside of SportsNet's scheduled programs.

Golf Scramble Program

During the summer, two golf scrambles are offered at two different golf courses. Participants who register are able to participate for multiple weeks in a fun, social golf environment, perfect for working on your golf skills! In a scramble, each player tees off on each hole. The best of the tee shots is selected and all players play their second shots from that spot. The best of the second shots is determined, then all play their third shot from that spot, and so on, until the hole is completed. (Reservation required through advanced registration.)
