

POWER WHEELCHAIR SOCCER Winter 2012

Power Soccer is a team sport played by individuals who use power chairs with various disabilities. Two teams of 4 power chair users attack, defend and maneuver an oversized soccer ball in an attempt to score on a goal. The game is similar to the non-stop action seen in a typical indoor soccer game. Players will learn the skills, rules of the game, practice plays and develop team dynamics. The Rochester team, the Speed Demons, practices during the winter season and is scheduled to compete with regional teams as available.
