

**“The love and  
compassion  
given and  
shown at  
Rochester  
Rehabilitation  
is so lovely  
to see and  
experience.”**

— Charles Roe

## Why I give to Rochester Rehabilitation

November 2011

Dear Friend,

I want to share a special story of gratitude with you from a client and donor, Charles Roe. Last December, after a Water Wellness class here, Charles quietly presented a gift of \$1,000 and a note to show his appreciation for the care he had received.

**“I came to Rochester Rehabilitation’s Physical Therapy program to regain my strength after I was injured on the job,”** said Charles.

**“I was physically and spiritually broken. Dianne Raney, my physical therapist, encouraged and helped me to come out of myself.”**

Charles loves to garden and worried that he’d never plant flowers again or walk without the assistance of a cane. Now he kneels, bends, and walks with confidence.

**“Rochester Rehabilitation helped me get my life back,”** said Charles.

**“I wanted to step up and pay it forward. It’s a gift from my heart.”**

Your gift this season will help others like Charles to regain functionality after an injury, improve living and job skills, and lead more mobile and independent lives.

### **How you can help**

I hope you will help continue Rochester Rehabilitation’s great work by making a generous contribution today.

Thank you.

Sincerely,

A handwritten signature in green ink that reads "Cynthia R. Huether".

Cynthia R. Huether  
President/CEO
