

RECREATIONAL WHEELCHAIR BASKETBALL 2011-12

Recreational Wheelchair Basketball is a regularly scheduled program designed to give players a chance to play non-competitively but at the same time gain skills and learn more about the game. If you have been thinking about playing basketball for the first time or just want to come out and shoot baskets for fun, this is a great program for you. You will meet athletes from the competitive team, the *Rochester Wheels*, and have a chance to socialize and meet new people all while playing the game of basketball. Join us on Monday nights for an opportunity to participate! Don't miss out on the fun!
