

OneSource Solutions

Contract Manufacturing

Meeting your needs for cost, quality, and on-time delivery. Guaranteed.

For more than 30 years, OneSource Solutions has offered the best-in-class contract manufacturing services from printing fulfillment to subassemblies for local consumer goods manufacturers and defense contractors. Known for our speed, flexibility, and quality, we've earned and maintained a strong ISO 9001 certification and can provide customer testimonials as to the caliber and integrity of our work. Our attention to detail and impeccable client service assures the product is produced right, the first time, on time.

Why choose OneSource Solutions?

- Customized turn-on-a-dime solutions
- Small or large volume projects
- ISO 9001:2008 certified
- On-time delivery
- Competitive pricing
- 24 hour estimates
- 100% satisfaction guarantee

With 46,000 square feet of open flex space, high speed shrink wrap capabilities, warehousing, inventory control, clean work rooms, and a flexible work force, OneSource Solutions can meet your needs for quality, cost, and delivery. We average a 40 hour work week and can move to 24/7 within a 24 to 48 hour notice.

- Hand Finishing
- Packaging and Shrink-wrapping
- Inspection, Testing and Sorting
- Demanufacturing
- Order Fulfillment
- Recycling and Reclamation
- Distribution and Warehousing

"For our sorting needs, it was important that OneSource meet three requirements: in house capability, quick turnaround, and be cost-effective. They hit all three of our needs. There was great communication back and forth, and I received quick answers to my questions. Also, OneSource always looked at improvements to make the operation faster and more efficient. I look forward to future opportunities working with them as a supplier."
